

Stuffed Chicken Breast Bonanza

Extremely versatile, chicken breasts are protein rich and easily batch cooked. Make extra each week to slice for sandwiches, add to salads, pasta or grain bowls or cubed for a perfect pre-bed protein snack.

Adding anti-inflammatory spices, herbs and veggies increase overall nutrition and flavour for a great meal supporting your training and recovery.

INGREDIENTS

4 large boneless, skinless chicken breasts
½ tsp garlic powder or 1 – 2 garlic cloves minced
12 oil packed sundried tomato, drained
2 cups arugula or other favourite green
100 grams goat cheese (chèvre or feta)
Sea salt and fresh ground pepper to taste
2 Tbsp. extra virgin olive oil (EVOO)

DIRECTIONS

1. Line a baking sheet with parchment
2. With a sharp knife cut a deep horizontal slit through thickest part of the breast but do not cut all the way through (see picture)
3. Open and season with garlic, salt and pepper to taste
4. Stuff the rest of ingredients into the breast (divided between the 4 breasts). Press the chicken breast back together to hold the filling inside
5. Pre-heat oven to 327 degrees F
6. Heat oil in a skillet on medium high and carefully sear each breast until lightly golden (~2 min/side)
7. Set chicken on baking sheet into oven for approximately 20 minutes (do not overcook)

NOTES

Serve with brown basmati rice, quinoa, potato or pasta and favorite veggies or salad.

Bake an apple at the same time for dessert – see Immune handout for recipe.
